Wireless Advanced Combo

8900P

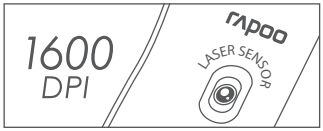
This set, comprising an ergonomic full-size laser mouse and a stylish, ultra-slim keyboard made from stainless steel and aluminum, adds a touch of beauty to any desktop. It also boasts impressive technology and features: Ergonomic design, adjustable laser sensor with up to 1600 DPI, dedicated zoom button, low-battery indicator, and various button and scroll-wheel functions that can be fully customized. The reliable 5 GHz transmission standard and the illuminated touch multimedia keys on the keyboard round-off this set.

▸ Reliable 5 GHz wireless connection

Wireless and interference-free: The 5 GHz standard developed by Rapoo avoids interference from other wireless devices. What's more, it offers you a range of up to 10 m and 360° coverage – and all while consuming very little power.



▸ Adjustable 1600 DPI HD sensor

As sensitive as you want: The mouse's HD laser sensor resolution can be adjusted between 800 DPI (for maximum precision) and 1600 DPI (for maximum speed) at the press of a button.

▸ Ultra-slim 4 mm design

Slimline and rugged: The award-winning ultra-slim 4 mm design makes this keyboard a real eye-catcher while the housing made from brushed stainless steel and an aluminum alloy offers stability and durability.
